Description

New 2022 Gemini Waverider 650 – Blue tubes, white hull and grey trim, Yamaha F150 IN STOCK FOR IMMEDIATE DELIVERY Photos show the actual boat available. Very high specification boat available for immediate delivery. Includes the premium electronics and audio packages and decking. The GEMINI WAVERIDER 650 Sport is a new addition to the Waverider leisure range. It has quickly become a best-seller, with enviably sleek lines and an ultra-modern hull design, ensuring a dry ride for crew and passengers. A wonderfully versatile boat; this WR650 Sport is strong enough to withstand rough conditions, easily manoeuvrable with a 150hp Yamaha engine and a phenomenal 'all-rounder.' The hull and deck have been constructed to the same specifications as the Commercial W650 equivalent, with safety and durability guaranteed alongside exceptional performance.
