The Merry Fisher 795 adopts a dynamic and rewarding design, both inside and out. All the innovations of the recent Merry Fisher 695 can be found onboard, plus many more! With a lot of light, the Merry Fisher 795 combines a new dynamic profile with a large number of innovations to improve on-board comfort and to ensure that it remains the market reference. Designed with family cruising in mind, the Merry Fisher 795 features a large aft cockpit with plenty of seating arranged in a sociable U-shape with a large central table. Inside the sliding doors there is a wide and accessible walkway down the centre, a dinette with seating for four to the portside and the well-appointed galley to the starboard side. The helm is well designed with lots of space for the array of electronics and control. The steering is hydraulic and the engine controls are electronic, for simple operation. Included is a 9" Garmin touchscreen GPS chartplotter and fishfinder. To hand are the bow thruster controls, engine display and all other control switches. In the bow is a good sized heads compartment with a door, sea toilet and sink, forward is a double berth. **MERRY FISHER 795: THE MOST CHIC WEEKENDER ABOUT US:** BHG Marine are part of the Berthon Boat Company group. Situated within Berthon Lymington Marina on the Lymington River, we have a wealth of services and facilities within our 20-acre site. Visit our sales office and showroom to see a wide range of new and used powerboats and yacht tenders. Specialising in Jeanneau powerboats, Zodiac and AB RIBs, inflatables and yacht tenders, Linder aluminium boats, Yamaha outboard engines, davit systems, Propguards and much more. With such a large boatyard and a 300 deep water berth marina, we are well facilitated to not only help you buy your boat, but also find it a home with the best facilities to make ownership simple. BHG Marine was originally founded in 1947 and has a long-standing, and leading, presence in the outboard-powered powerboat market. Berthon has been synonymous with yacht services and yacht building since 1877, and as a result, we have a combined wealth of knowledge and experience that is rivaled by no other. With 100 skilled craftsmen, at modern boatyard facilities in Lymington, Hampshire, BHG Marine and Berthon have the ability to deal with all aspects of yacht and motor boat repairs, refits, maintenance and servicing. We also project manage yacht and boat construction or fit-out projects of the highest quality. At our Lymington boatyard, the dedication to providing the best marine services is key to the yard's success; we constantly invest in new equipment and carry out very regular lean management exercise to ensure the utmost efficiency as well as operating an award-winning apprenticeship scheme which embraces modern technology whilst allowing many of our craftsmen who have been with us throughout their working life to pass on their skills and best practices. We pride ourselves on our very comprehensive handovers and training with our own technically skilled boat handlers. We ensure you

are confident in handling the boat, as well as using all systems onboard and the correct maintenance. BHG Marine can also arrange for your boat to be delivered anywhere in the UK and Europe, making sure it's shrinkwrapped and carefully prepared for the journey.
