

AB Inflatables - Profile A16

£ 6,495

Description

AB Inflatables Profile A16 from world renowned boat builders AB Inflatables. This vessel was previously used as a tender on an FPB Explorer Yacht for mooring duties and getting kit to and from the mother ship. Its powered by a Yamaha F60 four stroke outboard motor which has relatively low hours, 281 hrs. The steering system is a Baystar hydraulic system, Stainless steel wheel at the helm. Two 45 ltr fuel tanks sit in the transom beneath the frame. Up at the helm we have a 7" Simrad GPS and and VHF radio, twin Yamaha gauges, Yamaha key switch, Yamaha 6X3 concealed side mount control and switch panel. The tubes are made from 1670 D-Tex Orca (CSM) coated fabric, very tough and durable material. This vessel would suit commercial duties or safety boat use. Specifications: Overall length 4,88m Inside Beam 1,08m Overall Beam 2,14m Tube Diameter 21" / 0,53m Aluminium Hull Thickness 4.78mm Person Capacity 10 RCD Design Category C Should you have any queries or questions do not hesitate in getting in touch with a member of the team.
