

RIGIFLEX - Newmatic 400

£ 4,073.60

Description

Rigiflex Newmatic 400 Powered by a Yamaha F30BETL Yamaha side mount control, Yamaha 6y8 round tacho, 25 & 12 ltr remote fuel tanks. The motor has covered 198.5 hrs from new. On board the boat is a leisure battery which powers a bilge pump, this is trickle charged by a recently fitted solar panel. The boat is sat on an Extreme 750 multi roller trailer included within the deal. We supplied the boat to its original owner and later sold it to its current owner. We have also serviced & maintained the motor from new to a high standard, the last was carried out on the 11/11/2024. We have just recommissioned the motor so its ready to launch. The boat would make a great family day boat for exploring creeks, estuary's & inshore coastal areas. It would also suit a sailing club for safety boat duties. Should you have any questions please speak to a member of the team.
